## **MURRAY TOWN HALL RE-OPENING**

---

Listed below are the guidelines all residents should follow as we begin to reopen the Town of Murray for regular services. Please check here often, as procedures are fluid and may change often:

1. Face coverings are required. Please wear a face covering at all times while in the Town building.
2. Enter the building through the main door on the EAST side of the building
3. After entering the building, turn left to enter the Town Clerk's area.
4. At this time, the counter in the Town Clerk's office is the only area open for visitors. Please do not enter other sections of the building as all Town departments will do business at the counter. If there is a person at the counter when you enter the building, please do not enter until they exit the building.
5. There will only be one-way traffic. All visitors must leave through the exit door located in the Town Clerk's waiting area.
