

Electrical Inspection Agencies:

Final Electrical inspection certificates are required by the Code Enforcement Office before a Certificate of Occupancy/Compliance will be issued. The Town of Murray recognizes three agencies for final electrical inspections. It is the property owner's responsibility to contact one of the agencies listed to schedule a final inspection:

Empire Inspections LLC - (585) 798-1849

Commonwealth Electrical Inspection Services - (585) 624-2380

New York Electrical Inspection Agency - (585) 436-4460

Note: This information can also be found on the second page of your Building Permit
