**Big Guys Campground: Application for a variance at 3739 Mon/Orl County Line Road to allow a Pole sign to be constructed (4) four feet higher than our Sign Standards allow under Code Section 501 R and S.**

Board members had discussion between themselves and the applicant about certain items such as, lighting, placement of the sign and the geography (which blocks the view of the sign location) around the area of the campground entrance. Big Guys said that not having the sign 10’ may create a safety concern about the entrance to the camp ground so motor homes aren’t slamming on their brakes.-(Orleans County demanded the entrance be placed where it is)

**Mr. Silpoch made a motion to approve the area variance of the maximum height of the sign to be 10’, 4’ higher than our Sign Standards allow; Seconded by Mr. Moore.; All “Ayes” motion approved unanimously.**

**Mr. Silpoch made a motion to approve the area variance for the construction of a Pole Sign; Seconded by Mr. Moore; All “Ayes” motion approved unanimously.**
