HIGHWAY AND WATER DEPARTMENT

Highway has been busy with snow and ice removal, keeping the roads maintained. Some truck repairs were made.

Signs missing at intersections. When there is no plowing to do, the MEO assigned to early hours has been taking inventory of these missing signs.

Various water repairs for residents including final reads. Some new homeowners so not communicate with the water department when they purchase a house which can lead to confusion with final readings.

Councilperson Berg asked that since Creek Road is closed off, could the highway department move the *road closed* sign closer to Route 104. Vehicles can't see the sign and turn down Creek Road from Route 104, then have to turn around.
